Over $4,000+ Available for Michigan Tech Railroad Scholarships

Opportunities for Undergraduate and Graduate Students in any Discipline

$12,000 in designated railroad scholarships are available for Michigan Tech undergraduate or graduate students with an interest in railroad transportation. Interested students are encouraged to apply for AREMA and CN Railroad scholarships.

All applications submitted to AREMA are also eligible for over $40,000 of other AREMA scholarships.

2 x $1,000 CN Railroad Scholarships — Two scholarships of $1,000 each for undergraduate students at Michigan Tech with an interest in railroad transportation (open to all disciplines).

At Least 2 x $1,000 at MTU (30+ in all)

American Railway Engineering and Maintenance-of-Way Association

Michigan Tech Alumni AREMA Scholarships of $1,000 each are available and are restricted to REAC members. One scholarship will be awarded to an officer of REAC and another will be awarded to a student involved in the REAC club. (In 2015, a total of five Michigan Tech students were awarded AREMA scholarships). There are also over 30+ additional scholarships available to applicants provide for by partnering AREMA organizations.

Application Process:
All application packages are to include a cover letter, resume, two letters of recommendation and a transcript. Michigan Tech applications will also require a photo/headshot.

AREMA Scholarships:
Application material can be mailed directly to AREMA or submitted electronically. Application deadline is December 9th 2016. Only one application is required to apply for all of the 30 AREMA scholarships available this year! Successful applicants will be informed of awards during the Spring 2017 semester. For application forms and more information, visit the AREMA Educational Foundation website at www.aremafoundation.org.

CN Railroad Scholarships:
Application materials should be submitted to Dr. Bill Sproule, 301 C Dillman Hall, Michigan Tech, (906) 487-2568 or by email: wsproule@mtu.edu by December 9th, 2016. Successful applicants will be informed of awards by the beginning of the Spring 2017 semester. Applications can be obtained from Dr. Sproule.
