Michigan Tech Rail Transportation Program

Railroad Scholarships

Michigan Tech Rail Transportation Program scholarships are proudly sponsored by the CN Endowment Fund and by generous donations from our alumni, other industry supporters, and friends. This year, we are also the benefactors of Albert J. Reinschmidt Memorial Scholarship. Michigan Tech became only the third university eligible university for the scholarship.

The exact number and size of scholarships (except AJR scholarship) will depend on the level of donations we receive, but we have traditionally awarded 3-4 scholarships annually for Michigan Tech students with interests in the railroad industry.

Award Information

$2,500 – Albert J. Reinschmidt Memorial Scholarship (one)
